

# The 7 Questions Every Homeowner Should Ask Before Choosing a Window Company

Month : \_\_\_\_\_

Date : \_\_\_\_\_

Are they licensed builders?

Are there multiple trusted window brands?

- Space to list their brands:

Will I receive a clear honest quote without pressure to make a rushed decision?

How do they protect my home during installation?

Can they explain the differences between brands and materials in a way that makes sense?

Will I see the same crew?

Do they have local examples of clean, precise work and homeowners who felt cared for?
